The AFC congratulates the new Leader and Executive members of the PNC/R

The Alliance For Change, AFC, takes this opportunity to congratulate the newly elected Leader of the People's National Congress Reform (PNCR) Mr. Aubrey Norton and members of the new Executive on being elevated to their high positions of office and authority.

The AFC looks forward to working with this new Executive to strengthen the opposition against the wrongdoings of the Government, ensuring that better benefits flow to the people of Guyana.

This is particularly important as we confront the ills of our present circumstances, and prepare to meet the socio-economic changes that are rapidly evolving. The people are anxious and impatient for change and we must meet their expectations.
End.
